Washington DC 20330-1060

SUBJECT: Planning Guidance for Acquisition Reform Day 2

Reference: (a) USD(A&T) memo, 20 Dec 96

I fully support Dr. Kaminski's planning guidance for Acquisition Reform Day 2. While I do not intend to dictate numerous additional requirements, I do feel that complete team involvement is crucial to ensuring we successfully implement Dr. Kaminski's guidance and fulfill this year's theme of "Teaming - The Catalyst for Making Acquisition Reform Initiatives the Norm." Therefore, I request that all PEOs/DACs include their Program Element Monitor (PEM) partners and PEO staff officers in the reform day activities at the local center levels. I expect the programs to provide the travel funds necessary for this to occur.

I appreciate your support and cooperation and look forward to a successful Acquisition Reform Day.
